

Children's Center

Sick Policy

As required by law, a medical assessment completed by your child's physician must be submitted within thirty (30) days of admission. Children shall be immunized against disease at appropriate ages. Additional immunizations shall be required at appropriate in your child's enrollment. We ask that you give us authorization for emergency medical treatment by signing the form provided. You will be notified should your child show signs of illness during the day, and it will be necessary to plan to pick up your child within 1 hour after notification.

If your child is exposed to a contagious disease outside of school, you must notify the preschool director. Prescription medicine in the original prescription bottle will be administered with daily written authorization from you. A staff member will administer the medication and sign the medication authorization from indicating the medicine was given.

We are not able to give non-prescription medication without a doctor's note, i.e. Tylenol, ointment other than diaper cream and sunscreen.

Sick Policy

your child will not be ATTENDING his day at ABC if they have any of the following symptoms

- Fever of 100 degrees or more
- Vomiting
- Diarrhea
- Green or Yellow discharge from nose- needs to be signed off by a doctor
- Colored discharge from eyes- needs to be signed off by a doctor
- Unusual spots or rashes
- Low health indications like sick body odor, drowsiness or child's unusual symptoms.

If your child needs to be home sick, on medication or has a fever of 100 degrees or more, they need to stay at home and symptom free for 24 hours.
